PARKWOOD YMCA AQUATICS INFORMATION

Swim Lessons

Next Registration: December 16th for members; December 18th for non-members. Classes begin January 6th.

Lap Swim

We ask that all swimmers be respectful of others and share lanes as needed. Lap Swim is available for those ages 12 and up who are continuously swimming end to end.

Youth Swimmers

- All swimmers under the age of 13 must take the YMCA swim test prior to entering the pool. The test consists of 1/2 length on their front, 1/2 length on their back, and ability to tread water for 30 seconds.
- Ages 8 & under: Must have a parent in the water with the child.
- Ages 9-11 years old: Must have parent on the deck.
- Children under 52 inches tall who are not being directly supervised by a parent will be required to wear a life jacket.

Water Aerobics

All fitness levels are welcome, and no swimming ability is required. Enjoy an aerobic workout with less stress on your joints. A variety of cardiovascular moves make for a great total body workout in the water.
